## **Tournament Considerations**

1. We will endeavor to have 2 officials for each game (dependent on officials availability)
2. We will attempt to bracket and seed teams so teams are playing competitive games among similar level teams
3. Games: 4x 5:00  
1 time-out per game  
Ties stand  
USWP and Pacific Zone tournament and team conduct rules will apply
4. All coaches, clubs, athletes, and officials must be registered with USWP.
5. All entries must be submitted by the posted deadline, any cancellations will be required by the entry deadline or earlier. Once the site has reached maximum capacity for the course, entries will be closed. Once entries are closed all team entries are considered final. If a team drops out after the close, their fee is not returnable and is forfeited to the tournament host. On game day, Pacific Zone "NO SHOW" fees will be followed, and those teams will be reported to the Pacific Zone.
