

NORTHBAY AQUATICS

2008 Summer Water Polo Tournaments

Marin Water Polo, a program of the North Bay Aquatics Club will be hosting the following competition opportunities this summer. We are looking forward to having a great summer of water polo competitions.

Location: Indian Valley Campus Aquatic Facility, Novato

Tournament Considerations.

- 1) Bracket seeding will be based upon JO qualifying results (or comparable results). We will attempt to bracket and seed teams so teams are playing competitive games among similar level teams.
- 2) Games 1 Time out per game
No overtime, games in ties, end in ties
USAWP and Pacific Zone tournament and team conduct rules will apply
- 3) The age groups are split up to allow maximum opportunity for players to play both days if there teams would like, ie: 16's can enter in 18's on Saturday and play again Sunday as 16's.
- 4) All entries must be submitted by the posted deadline, any cancellations will be required by the entry deadline or earlier. Once the site has reached maximum capacity for both courses, entries will be closed. Once entries are closed all team entries are considered final. If a team drops out after the close, their fee is not returnable and will be forfeited to the tournament host.
- 5) We will endeavor to have 2 refs for each game (dependent on referee availability)
- 6) Full snack shack available at each tournament.
- 7) Membership as a club, coach, referee and player to USA Water Polo is required.

WEDNESDAY NIGHT LEAGUE

Each Wednesday night from June 18 through July 23 (excluding July 2) we host games at the IVC Pool. For clubs interested in participating contact Andrew Morris at marinwaterpolo@gmail.com or (415) 320-6222 for more details. Competition begins at 6:30pm and finishes by 9:00pm depending on game time schedule.
